## Greening NOLA

Greening NOLA is back for another year of providing off-campus students a sustainable alternative during the move out period.

Greening NOLA is a volunteer-led program that offers pick-up services for household items to be donated. The pick-ups are scheduled for the weekends of May 18th - 21st and May 26th - 29th. During those weekends, there will also be a drop off location at 7103 Freret St. from 12 p.m. to 3 p.m. Greening NOLA's services are available to both student tenants and landlords.

Please visit [\*\*Greeningnola.com\*\*](http://Greeningnola.com) to learn more about their program.

## Tulane Sponsored Trash Pick-Ups

In an effort to help maintain a clean neighborhood, the Tulane University Facilities Department will sponsor trash and bulk pick-ups on select neighborhood streets between S. Claiborne Avenue, St. Charles Avenue, Pine Street and Calhoun Street. Please use the [\*\*online report\*\*](#) form to report trash complaints in this area. The Tulane sponsored collections will be performed during the weeks of May 15th and May 29th.

Tulane has a centralized online report form for complaints and concerns which is the primary, and preferred, method for submitting any report of concern about a student and his or her behavior, including but not limited to conduct that may violate the Code of Student Conduct. This system allows for efficient routing of concerns to the appropriate office, as well as tracking follow-through on those concerns. Neighbors are welcome to file complaints or concerns using the online system and should select “Neighborhood Relations Concern” under the “Type of Concern.”
